## Lines At The Chelsea Art Museum for Iran Inside Out

Well we had our lines too on Thursday for a hugely popular exhibition curated by Sam Bardaouil. If you click the link you'll go to Randy Kennedy's review of the show in the New York Times.

I'm very happy about all the attention the exhibition, the museum and the curators are getting. Everyone did a fabulous job and it's definitely something to be proud of and to build on for the future.

Another exhibition on the 3rd Floor, the Terna Prize Connectivity exhibition, brought a very stylish crowd as well.
