Terna, Italy's major Energy Transmission Operator and primary owner of the Italian National High-Voltage Electricity Transmission Grid, and the Chelsea Art Museum today announced an exhibition of artwork by Italian artists that were awarded the first Terna Prize for Contemporary Art. Transmitting Energy: A Contemporary Metaphor - Winners of the Terna Prize for Contemporary Art, on display at the Chelsea Art Museum June 25th – July 12th, 2009, features the 16 winning works united in the Prize's theme of connectivity but diverse in subject and media.
